

REMARKS

In the Drawings:

Please replace the three sheets of informal drawings with the attached three sheets formal drawings. No new matter is added.

In the Claims:

Claims 1-6 have been canceled. Claim 7-11 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 7 is amended to include all of the limitations of its base claim and any intervening claims in an independent form. Claims 9, 10, and 11 are canceled since Claim 9 depends on the rejected Claim 5. New Claims 12-14 have been added. Claim 12 is recited by combining Claims 5 and 9 as previously presented. Claims 13 and 14 are added to recite the limitation of cancelled Claims 10 and 11, respectively. No new matter is added in the Claim 12-14. Support for Claim 12-14 can be found throughout the specification, particularly pages 5, 6, and 7.

In view of the above amendments, reconsideration and allowance of Claims 7-11 are respectfully requested. No fee is believed necessary to consider and enter the above amendments and remarks. However, if any fees are deemed necessary, please charge any fee to deposit account no.

Respectfully submitted,

Matthew M. Eslami
